

ALBION STREET GROUP PRACTICE

NEWSLETTER SPRING 2014

Next Patient Forum meeting is Thursday 6th March at 7pm

All registered patients are welcome.

We will be running our patient survey over the next few weeks. The Patient Group have asked us to run the survey on appointment booking. You may receive an email requesting you to do a short survey on line (survey monkey) or you may be given a paper copy to fill out at the surgery.

TRAVELLING ABROAD

If you are planning a holiday you may need to have some vaccinations. Please contact us at least 6 weeks before travel so that we can offer you an appointment in our travel clinic. If you are travelling at short notice you may be asked to go to an external clinic for your vaccinations.

LADIES..... If you have not had a cervical smear test in the last 3 years please make an appointment with one of the nurses. Ask reception about booking an appointment.

ASTHMA REVIEWS

A reminder for all patients who have asthma. You are advised to have an annual review with our specialist asthma nurses Joy Lorimer or Paula Brown. If you have a problem arranging a suitable appointment then one of the doctors can do this for you as well.
